

City of Hueytown Waste Services

The City of Hueytown contracts with Republic Services to provide weekly residential garbage service for standard household garbage.

- ✓ To request new service, contact the City of Hueytown.
- ✓ Your service through the City includes one cart. Additional carts are available but not offered through the City. Residents needing an additional cart (up to 2 carts) must set up an individual account in their name with Republic Services (205-923-1650). Additional carts will be charged to the resident in the amount of \$29.96 per quarter.
- ✓ Carts are to be placed within three feet of the curb or street edge with the lid opening toward the middle of the street.
- ✓ Carts should always be at least three feet from any fixed object such as a mailbox, fire hydrant, cable box, electrical box, phone box, telephone pole or parked cars.
- ✓ Please bag all garbage items before placing in cart to avoid any spillage or from blowing out of the truck.
- ✓ Place carts out the night before service day to avoid a miss due to timing.
- ✓ For more information on Republic Services and offerings, see our web site www.republicservices.com .
